Summary

Objective: I am currently looking for an entry-level role in the field of Data Analytics or any kind of Data Processing. I have previous experience as a real estate manager.

Experience

Owner
KM 22 LTD

2021 - Present (2 years)

As a business owner of Baked Good Manufacturing I have to plan the production volume for each day. Training new staff in building job skills and workflow consistency. Maintaining a good, communicative work environment is very important to me. Trying to select new employees to fit the work environment. The business is focused entirely on retail sales and direct communication with customers. Part of my responsibilities are to managed the operating expenses by taking accountability for forecasting, accruals and results.

Real Estate Manager
KABAKUM PROPERTY MANAGEMENT LTD

May 2017 - Apr 2019 (2 years)

As a real estate manager part of my responsibilities was: Preparation of reports on the condition of residential and hotel complexes. Planning the future costs of planned repair activities and overheads. Performing analytical reviews of financial documents and preparing financial statement reports and documentation.
